Unbeatable Dental Benefits for You & Your Family

## SMART Dental Access Plan Highlights

The SMART Indemnity Dental Plan combines the advantages of a discount dental plan with a reimbursement (indemnity) plan; or, you can use any dentist of your choice, pay the bill and be reimbursed up to the limit for that procedure by the indemnity plan. It is a unique concept whose time has come.

## Choose Your Own Dentist!

A traditional reimbursement dental plan pays either the insured or the dentist a specific amount for each procedure. There are over 200 procedures covered by the plan.

- **Up to \$1000 per person per year** - with an annual \$50 Deductible per person
- **No waiting period before preventative or basic work** can be done. The plan can go into effect on the 1<sup>st</sup> or the 15<sup>th</sup> of the month and you can have a filling the same day! (*1-Year waiting period for major work*)
- **No age limits** - Unmarried dependent children can stay on the plan until age 25.

## Or Use a Network Dentist to Maximize Your Savings

Use a network Dentist and add the network discount to the reimbursement and increase the overall savings on your dental expenses up to 60% or more.
